It provides the opportunity and gives the exposure to the students of Managing the event in its complete form. Students get the exposure of leading the team, collaborating, coordinating, public speaking, etc.

1. Youngistaani Conclave will be on 4th August.
2. TEDx Pratibha Public School: TEDx will be on 5th August evening.

Intelligent Surveillance System:

- Director Abhas Agrawal explained the context of why TOS thought of exploring and implementing IS2. He shared the context of the unpleasant incident that took place in one of the prominent school and the panic amongst the parents. The then PTA and CPV members had done the security check of the school independently and had expressed that the arrangements are good but is not sufficient.

- Members were apprised with the process followed right from exploring the system till its ratification by PTA and the transparency maintained by TOS to keep the parents informed about the same.
- The Lead PTA Member, Meherun Nisha Khatun shared the insight of the time, period consumed and the discussions that took place before ratifying the decision of implementation of IS2.
- Most parents felt that the school should not wait for any untoward incident and then discuss or assign blame.
- It was discussed by the members – of whom many were CPVs or class that has gone through prototype that this whole initiative came as a response to request from parents' representatives.
- While the members saw that the school has shared all information from time to time and transparent in this, it could have also asked CPV to have conversation via class wassup and also during orientation time not planned class orientation.
- The members of the PTA Committee (2024-2025) stated that the decision taken by the previous committee (2023-2024) should be respected and 6 members (Parent Representatives) out of 8 have agreed on going ahead with the implementation of IS2. Considering the majority, the decision was taken that TOS will go ahead with implementation of IS2.
- Considering few of parents concerns and keeping larger group of parents queries in mind, it was suggested that an open forum should be provided to the parents to understand the details of IS2.
- The meeting will be called of all school parents on 25th August so those who want to come and clarify or understand the details of IS2 will get an opportunity to do the same. However the decision to go ahead with IS2 is not to be reviewed. PTA has given a go ahead for further processes of implantation of IS2.
- Director closed the meeting by thanking all the members present.
